Boca Raton, FL – A new art exhibit by Galal Ramadan called “Elements of Art & Life” will be on display at the Downtown Boca Raton Public Library. Visitors will enjoy a variety of beautiful colored-pencil drawings in a photo-realistic style.

Born in Alexandria, Egypt, Galal Ramadan emigrated to the United States in 1985 and now resides in Boca Raton. His artwork reveals his fascination with natural and cultural matters, along with his appreciation of basic elements of art and life. These eye-catching images reflect the artist’s attention to the minutest details and love of color.

“Colored pencil achieves beautiful images of exceptional detail and durability without the challenges that other media present,” notes Galal Ramadan. “I am an artist led by my love of nature as it is without distortion, and I am inspired by a personal sense of knowing how beautiful art and nature can heal.”

“Elements of Art & Life” will run from September 1–November 9, 2018, at the Downtown Library, an Art in Public Places venue, at 400 NW 2<sup>nd</sup> Avenue. The exhibit is free and open to the public during regular library hours.
