

The vendor list includes all entities that the City of Boca Raton has a current purchase order with, entities that the City has paid directly in the last year (with some exceptions), and entities that have been awarded a procurement solicitation by the City.

This listing will be updated periodically by the Financial Services Department. The vendor listing should always be obtained from the Document Library on the City's Intranet or on the City's Internet homepage under Community Links as it includes the current version.

This document will list the vendors alphabetically. Please continue to the next page.
