

Notary: More than just a signature

Resources and links:

https://www.flgov.com/notary_how_to/ - a how-to guide from the State of Florida. This site also has a link to the education program.

<http://notaries.dos.state.fl.us/education/instructions.html> - the main education program site for the State of Florida.

https://www.flgov.com/notary_education/ - this page has a list of all approved education providers. Please remember that the education program is a FREE service, so if you find a website trying to charge you just to take the educational course, it's a scam.

<https://dos.myflorida.com/sunbiz/other-services/notaries/notary-processors/> - this link lists all the insurance companies within Florida that will bond you.
