**BOCA RATON PUBLIC LIBRARY PRESENTS THE PHOTOGRAPHY EXHIBIT,
“A WALK THROUGH CUBA,” BY BRIAN AND LORIE BIBBEE
DECEMBER 20, 2021–FEBRUARY 14, 2022, DOWNTOWN LIBRARY**

BOCA RATON, FL (December 20, 2021) – The Boca Raton Public Library presents a new photography exhibit, “A Walk Through Cuba” by Brian and Lorie Bibbee. This exhibit captures the local feel of Havana and several outlying small towns. From the back streets of Havana to the tobacco fields in the mountains, Brian and Lorie Bibbee capture a diverse view of Cuba off the beaten path. The metal prints shown in the exhibit are made by infusing dyes directly into specially coated aluminum sheets for a magical luminescence, which creates a durable, waterproof, and brilliant print.

Brian, a Florida native, has been photographing Florida and international locations for the past forty years. From Australia to Switzerland, he has traveled the world to capture the local scenery, people, and beautiful landscapes. Recently, the Palm Beach Photographic Institute displayed his work in a juried photography competition in their West Palm Beach gallery. Lorie is recognized widely for her astute “eye” for the perfect photo. She has had experience in darkroom techniques and photojournalism and contributed several photos for this exhibition.

“A Walk Through Cuba,” a free exhibit, will run from December 20, 2021–February 14, 2022, at the Art in Public Places area of the Downtown Library, 400 NW 2nd Avenue. It is open during regular library hours.

The Boca Raton Public Library provides outstanding library services, resources, and programs that meet the educational, recreational, cultural, and informational needs of the Boca Raton community.
