**BOCA RATON PUBLIC LIBRARY – SPANISH RIVER
INTRODUCES NEW ESOL FOUNDATIONS I COURSE FOR ADULTS**

BOCA RATON, FL (March 31, 2022) – The Boca Raton Public Library is expanding its instructional lineup to include a first-ever ESOL Foundations I for Adults series of classes this summer. This free, sixteen-week program will introduce students to reading, writing, listening, and speaking English in various environments like the home, workplace, neighborhood, and more.

“We have had a tremendous number of requests for English instruction over the years,” notes Joleen Wielkie, Technology & Digital Services Librarian, “and we are thrilled to offer this valuable opportunity to people in our community. We expect this series to be in high demand and are already planning a Foundations II course for the fall.”

Class materials have been generously sponsored by Friends of the Boca Raton Public Library. The ESOL Foundations I course will begin on May 4 at Spanish River Library. Register through the Library’s website calendar at www.bocalibrary.org.

The Boca Raton Public Library provides outstanding library services, resources, and programs that meet the educational, recreational, cultural, and informational needs of the Boca Raton community.
