**BOCA RATON PUBLIC LIBRARY PRESENTS THE PHOTOGRAPHY EXHIBIT,
“AROUND AMERICA” BY JENNIE HODGES
JANUARY 20–MARCH 6, 2023, DOWNTOWN LIBRARY**

BOCA RATON, FL (January 20, 2023) – The Downtown Library in Boca Raton presents a new photography exhibit, “Around America,” by Jennie Hodges. A South Florida native, Hodges has enjoyed photography as a lifelong pursuit. Her current focus is fine art photography relating to travel, landscape, and nature. Notes Hodges, “I have always wanted my photos to capture the beauty of a moment in time. I enjoy turning a photograph into a work of art as well as playing with filters and black-and-white photos to help change the mood or feel of a picture. I also like using a combination of black-and-white and colors together to accentuate important features of a photograph.”

Jennie Hodges received her bachelor’s and master’s degrees from the University of Florida before working as a teacher. While preparing for graduate school, she lived and travelled all over Europe where her love for travel photography grew as she made her way through Europe snapping pictures. After starting a family, she honed her skills by taking pictures of her children and improving her expertise in Photoshop. More recently, she has turned her photography hobby into a career and loves to share her art and talent with others.

“Around America,” a free exhibit, will run from January 20–March 6, 2023, in the lobby of the Downtown Library at 400 NW 2nd Avenue, Boca Raton.

The Boca Raton Public Library provides outstanding library services, resources, and programs that meet the educational, recreational, cultural, and informational needs of the Boca Raton community.
