**BOCA RATON PUBLIC LIBRARY PRESENTS THE ART EXHIBIT,
“WRITTEN IN FLOWERS” BY BONNIE SORSBY
AUGUST 14–OCTOBER 8, 2023, DOWNTOWN LIBRARY**

BOCA RATON, FL (August 15, 2023) – The Downtown Library in Boca Raton presents a new art exhibit, “Written in Flowers” by Bonnie Sorsby. A native Floridian, Sorsby notes, “Flowers speak a timeless language, and I am forever in awe of their ability to communicate a variety of emotions. My artistic goals include creating work that brings about positive energy, that heals and evokes cheerfulness and joy of life in our world.”

Bonnie Sorsby is a self-taught artist who works primarily in acrylics. Creatively self-employed for the past ten years, she has crafted jewelry, owned an online children’s boutique, and now works primarily as a photographer and graphic designer at Photo + Design Company in Lake Worth. Brushes, paints and canvases stared at her for a couple of years after she photographed them for a client. She felt a pull to paint, but as a homeschooling mom of two battling Lyme disease, she felt overwhelmed by the thought. A friend and mentor offered the nudge she needed to pick up a brush, and she hasn’t looked back. Says Sorsby, “What a blessing this ride has been!”

“Written in Flowers,” a free exhibit, will run from August 14–October 8, 2023, in the front lobby of the Downtown Library at 400 NW 2nd Avenue, Boca Raton.

The Boca Raton Public Library provides outstanding library services, resources, and programs that meet the educational, recreational, cultural, and informational needs of the Boca Raton community.
