- (2) All annual permits issued to residents may be renewed upon payment of the annual permit fee. Annual permits issued to nonresidents are nonrenewable but may be reissued at the discretion of the City Manager, upon payment of the annual fee. In considering the re-issuance of nonresident annual permits, the City Manager shall consider the demand for annual permits by residents and shall reissue only as many nonresident permits as the City Manager determines will not result in depriving interested residents of annual permits.
- (3) In recognition of the competitiveness among local golf courses for regular play, tournament play, summer leagues, twilight play and special activities, and in recognition of the complexity of setting fees for these diverse activities, the City Manager is hereby authorized to set the fees for permits, regular play, tournament play, summer leagues, twilight play and other special activities. In the development of such fees, preference shall be given, when possible, to residents. These fees shall be set in such a manner as to not adversely affect the revenue requirements for debt repayment and operation of the golf courses.
- (4) A capital improvement fund golfer fee of \$2.00 will be charged all golfers for each 9-hole or 18-hole round of golf at the Red Reef Executive Golf Course and Boca Raton Municipal Championship and Executive Golf Courses and fees shall increase per annual adjustment in the user fee schedule based upon increases in the Consumer Price Index as provided in Section 2-328 (I), Code of Ordinances.
- (5) The City Manager shall establish marketing programs, where deemed necessary by the City Manager, which may establish, market and manage reduced fee times or programs, program packages, sponsorships, activities, advertisements and promotions, including but not limited to golf specials, tournaments, hotels/motels, organizations and marketing programs targeting or associated with businesses, youth, families, and students.
